

# Culebra Creek Greenway

## Grissom Trailhead to Nueces Canyon Trailhead

---

**PARKS &  
RECREATION**

**December 2, 2024**

# CULEBRA CREEK GREENWAY (Grissom to Culebra Road)

# CULEBRA CREEK GREENWAY (Grissom to Culebra Road)

## Key Project Elements:

1. 1.36 mile, 12-foot-wide trail segment from Grissom Trailhead to trailhead at Culebra Road.
2. Neighborhood Connection to Creekside
3. Crossing under bridge at Culebra Road
4. Future Connection to Nueces Canyon Trailhead
5. Connection to Culebra Trailhead at Grissom

# CULEBRA CREEK GREENWAY (Grissom to Culebra Road)

- A key segment in bridging the gap to combine the entire Culebra Trail

# CREEKSIDE NEIGHBORHOOD CONNECTION

- 0.1 mile 8-foot-wide trail connection to Creekside Neighborhood
- Provides neighborhood access

# CULEBRA ROAD UNDERBRIDGE CROSSING

- Allows for connection to existing Culebra Creek trail segment
- Crossing under roadway through existing ridge piers.

# CONNECTION TO EXISTING/PROPOSED TRAILS

- Trail will connect the existing Grissom Trailhead to the Proposed Nueces Canyon Trail

# PROPERTY OWNERSHIP

# CULEBRA CREEK GREENWAY (Grissom to Culebra Road)

- Estimated Construction Cost - \$3.8 million
- Project Timeline
  - Design Start – Spring 2024
  - Design Finish – Summer 2025
  - Procurement and Contracting – Fall 2025
  - Construction Start – Winter 2025
  - Construction Finish – Summer 2027
